

## **2019 Lighted Ships Parade**

### **Saturday, December 14th**

This year marks the 50<sup>th</sup> Anniversary of the Poulsbo Yacht Club Lighted Ships Parade. In honor of this milestone, we are inviting our boating friends and neighbors to join us and fill the night with lighted ships. Please consider decorating your boat and being a part of this wonderful event that has become a holiday tradition for our community.

We have partnered with the Port of Poulsbo which is providing 2 nights of complimentary Moorage (Friday and Saturday, Dec 13 & 14) for lighted ship participants. We will also be hosting a dinner on Friday night at PYC for the parade participants.

To participate, register your "lighted ship" and boat number assignment for judging [click here](#) or email [santa@poulsboyc.org](mailto:santa@poulsboyc.org) to sign up!

We continue to emphasize safety, so please sign up early [online](#) at so we can get you the "BOAT LIGHTING AND COURSE SAFETY HANDOUT." Mandatory Captains' meeting/s will be held 12/14/19 ((4:00 pm) at PYC Clubhouse & (3:00 pm) at Port of Poulsbo Marina

The Parade leaves from outside the PYC Marina at 5:00 pm.
